

CLUBHOUSE

AFTER SCHOOL SPORTS AND ACADEMICS

March 24, 2020

Greetings,

We thank you for your continued support and we continue to pray for all of our families during this trying time.

As we know, there have been no final decisions made on when students will return to school. We were assuming schools were closing for two weeks as planned, causing us to treat that time as a "Break", similar to spring break, winter break, and weather emergencies. As we now see, schools more than likely will not open next week, and due to health concerns, some families are electing to keep their children home. As we cannot credit or refund when students are absent during pre-paid time based on contract (As we remain open and provide all necessary services) without a two-week notice, we do understand these circumstances are extreme.

Bi-weekly and Monthly tuition for April (biweekly starting March 27) will only be required for students who plan to be in attendance. For this, a two-week notice or disenrollment is not required. A program with adjusted rates will be released when the county makes their decision with schools. When schools resume, families will be given a pro-rated amount to pay based on the week schools start back up.

If you have any questions during this time, please see contact information below: (www.wvelc.com, Tyreen@wvelc.com, (813)773-5912, Ms. Tyreen)

Thank you,

World View Clubhouse Management
