September 2019

Welcome to our program!

Hours: 6:30a.m.-6:30:p.m.

Back to School Night

“Back to School Night” is scheduled for Thursday, September 26th at 6:00p.m. During “Back to School Night”, parents will have the opportunity to meet their child’s teacher and ask questions pertaining to lessons, schedules and etc. Also, the parents will be able to review the beginning of the year assessments their child was given by their teacher during the first week of school.

Uniforms Policy

Pre-K4 and Kindergarten students are required to wear uniforms. On Friday’s the Pre-K4 students are allowed to have a “dressed down” day in which they do not have to wear uniforms. Kindergarteners must wear their uniforms every day and Tuesday & Thursday students must wear navy blue sweat pants/shorts, a plain white shirt and gym shoes. Please see your child’s teacher or the front office for a uniform sheet.

Potty Training

This is just a *friendly reminder* that once your child has been in the two-year-old class **for two months**, there’s a **weekly potty- training fee** that the teachers share for their hard work. Please place in the tuition box. Potty training fees are due with your tuition payments. You may also deduct \$5.00 each day that your child is absent for that week. When your child reaches the three-year-old program, he/she is required to already be potty trained. However, if your child is not potty-trained while in the three/four-year-old program, a daily fee of \$5.00 per accident is due. You may also choose to pay the \$25/per week potty training fee. This fee will allow teachers to work with your child on a daily basis on becoming potty-trained as quickly as possible. The fee will cover any cleaning materials that the teacher will need to clean the area and also to compensate that teacher. Please see the office if you have any questions or concerns. We appreciate your cooperation.

Volunteering/Mentoring

We are looking for parent volunteers to help out around the center. Areas where volunteers are needed are in the kitchen to assist with cooking breakfast on Monday mornings for parents, help with tutoring, help during homework time in the aftercare classes, etc. If you would like to volunteer, please see the front office for additional information. All volunteers and Mentors must successfully pass a criminal and medical background check.

Disciplinary Actions

Guidelines

World View is committed to providing children and families with learning- oriented quality child care in a safe and loving environment. A major part of that obligation is focused on the importance of discipline and its effects on children in our care. The following guidelines comprise World View Christian Center's Child Discipline policy.

1. Encouraging group or individual prayer to rectify behavioral concerns as a preventive measure
2. No corporal/physical punishment will be used.
3. Set limits or behavior expectations which are developmentally appropriate.
4. Be consistent
5. Act with confidence, fairness and patience in disciplining
6. Praise and encourage good behavior recognizing that you serve as a role model for appropriate actions.
7. State suggestions or directions in a positive manner. Give a child a choice only when you intend to accept the choice.
8. Focus on the child's actions rather than personality. Make the child feel worthwhile and liked.
9. Use a kind, firm voice when disciplining. Use words and a tone of voice which will help the child feel confident and reassured.
10. Consequence for misbehavior will be immediate and of short duration and be related to the act.
11. Punishment is appropriate only for repeated misbehavior. Acceptable punishments are removing the child from one play area to another, limiting play privileges and using "time out".
"Time out" provides the child an opportunity to think about appropriate behavior. It should last no more than 1 minute per year of age, be in sight of an adult and preferably be located where the child can see the other children. Once the "time out" period is completed, the child should be returned to normal activities.
12. Punishment will not be associated with food, naps, or bathroom procedures.
13. Keep acts of misbehavior in perspective. The Assistant Director will involve a child's parents in the disciplinary process only when uncontrollable behavior and/or behavior that is harmful to others persists.
14. The entire staff will be consistent regarding supervision and training of children. Discipline of children will be the responsibility of the Center staff members only.
15. Maintain discipline guidelines set forth by your State Licensing Authority.
16. Remember the goal of discipline is helping the child gain self-control through learning appropriate behavior rather than forcing the child to conform to adult standards.

The objective of World View is to provide quality child care and early learning educational service to the community. In doing so, you must realize the importance of discipline and its effect on the children we serve. Your duty is to adhere to this child discipline policy, to help others learn and follow it and to report any violation of this policy to the appropriate World View supervisors.

Please remember that you must follow this policy when disciplining your own child when enrolled in the World View Center. _____

PRESCHOOL 10-HOUR CORE TIME

Dear Parents,

Just a friendly reminder that *World View Early Learning and Christian Center* has a 10-hour core time policy **each day**. What that means is your child can only be at the Center for **10 hours in a given day**. If you need more than 10 hours of care per day on a consistent basis, you must complete an “**Extended Care**” form located in the office. By completing this form, you will be charged \$5.00 per day or portion thereof. If you do not complete an “**Extended Care Form**”, you will be charged **\$10.00 per hour or portion thereof** for any time over 10 hours each day.

Our staffing is based on our **10- hour core time** policy outlined in the parent handbook/contract upon registration. The only way we can continue to provide quality and safe care to each child and consistently stay within the teacher to child ratio is for all parents to follow our 10-hour core time policy.

We continuously try to work with our parents on a daily basis and we thank you for support, understanding and cooperation.

I can be reached at 301-372-0053 if you have any questions or concerns.

Sincerely,
Mrs. Angela Tolbert, Director

Today's Date: _____

Dear Parents,

Some of the children in the two-year-old classroom are potty trained. Some are very close to being potty trained, while others are beginning to show signs of potty-training readiness.

The Center acknowledges the following **consistent** behaviors to let us know when a child is potty trained:

- *Able **to tell** the teacher when he/or she has to use the bathroom
- *No longer wets him/herself on a regular basis
- *Has bowel movements (regularly) in the toilet
- *No longer wears pull-ups

*Note: After the child (consistently) does the above, he or she is considered “**potty trained**”. While in the two’s classroom, if a child digresses and begin wetting him/herself, there is a **\$5.00 fee per day** that is shared between the providers/teachers.

Please discuss with your child’s teacher **prior** to putting your child in underwear. This will avoid unnecessary clean ups, soiled/stained carpet and classroom odor.

The following is what takes place during potty training time:

1. While awake, the child is taken to the restroom every hour
2. The child is shown the proper way to wipe him/herself
3. All children who are being potty trained will have the “**potty training section**” of the ***feedback sheet*** completed.
4. Every Friday, the children view a **potty training movie** to help with potty training success.

Please do not allow your child to wear **belts** or “**onesies**”. Those clothing/accessories hinder the potty training process. Also, all children being potty-trained, **must wear pull-ups with the snaps on the side.**

I can be reached at 301-372-0053 if you have any questions or concerns.

Sincerely,
Mrs. Angela Tolbert, Director
