Dear Parents,

As the global effect of coronavirus (COVID-19) continues to evolve, World View is firmly committed to the health and safety of our parents, youth, staff and serving our communities. We are closely monitoring the changing situation, and complying with the CDC guidelines.

As many of you have noticed, we've experienced a major change in our center during this time. As a result, we've taken steps by implementing new policies/ procedures that our center must follow in the prevention and spread of coronavirus (COVID-19). The policies/ procedures include:

- Dropping Off Your Child
- Picking Up Your Child
- Facial Mask Requirements for teachers
- Facial Mask Requirements of children (2 and up)
- Temperature Taking
- Social distancing

What is Social Distancing? According to the CDC this means "remaining out of congregate settings, avoiding mass gatherings and maintaining distance (6ft)". Due to the CDC implementing the Social Distancing rule, it limits our center's capacity (children to teacher) to **10 individuals per room, including staff**. As a result, for the 2020 Summer Program, we can only enroll 9 children per room on a "***first come, first served basis***" as availabilities are limited. Which means, in order for your child(ren) to have a spot for the summer program, Summer Registration forms and monies (deposit & activity fees) must be provided to reserve a spot.

To replace many of the planned field trips, we will be incorporating a Pre-Medical/ S.T.E.M. Program and a Music/ Performing Arts Program into our daily Summer programming for ages: Three through Teens. In each age level we will have fun, stimulating assignments and research projects appropriate for their age and skill level. We will have licensed teachers and

professional staff coming in weekly to work with our staff to ensure the success of these enrichment program opportunities. During the summer pic-nic for each age group there will be presentations for the parents (Virtual, if necessary).
